A hand-drawn diagram of a rectangular frame. The frame is defined by a top, bottom, left, and right boundary line. Inside the frame, there are four vertical lines and two horizontal lines, creating a grid of rectangular cells. Two arrows, one on the left and one on the right, point towards the center of the frame, indicating a compressive force or inward movement.

~~2 x Tippen für Licht~~

A collection of hand-drawn geometric shapes, including rectangles, squares, and irregular polygons, scattered across the page. The shapes are drawn with simple black outlines on a white background. There are approximately 10-12 shapes in total, some of which are simple rectangles or squares, while others are more complex, irregular polygons. The shapes are scattered across the page, with some appearing in clusters and others isolated. The drawing style is simple and sketchy, suggesting a child's or a beginner's attempt at geometry.
